Corrections to the minutes

No corrections.

Treasurers Report-Vic Papai

Checking account balance \$18,434.12. CD's balance is \$10,426.98. Total is \$28,861.10. We had 336 tables in Oct. We lost \$28.02 due to vouchers.

Managers Report- Tricia Killeen

Under Our Games #4 on Managers report it was decided by the board not to let Matt Russell speak to the club in exchange sponsoring one of our events.

Thursday night games were discussed. We will watch Nov. and Dec. and probably cancel Thursday night games starting in January due to low participation. There was a suggestion to restart after Daylight Savings Time.

We brainstormed ways to increase membership. Invite a friend day was mentioned. This is being done in Kalamazoo. Another idea was a Sunday Brunch.

Our printer had problems and when we returned it the new one still had the same problem so Bud researched printers and we purchased a more user friendly printer.

Directors Report-Bud Hinckley

Barometer pairs were discussed and after investigation this was not feasible.

When no alert is given this is a director call.

Players that need N/S must tell director ASAP.

Late plays in bad weather are still a penalty.

The Player Memo was discussed. If you want an incident, condition, or situation brought to the attention of the SBBC Recorder you need to fill out this form.

Puppet Stayman was alert able and has now changed.

Old Business- Tim Carl

Duct cleaning-We are comparing estimates of both contractors. The quotes were not on the same work.

Bathroom Part-We are getting a quote on part and repair so we do not have a flood. We are also getting a quote on a tall toilet.

Dennis David donated 3 boards and was thanked. He will also be sent a Thank You note.

Puppet stayman at the 2 level is no longer alertable.

New Business-Tim Carl

Maureen asked about having a water system instead of bottled water. The board felt this was too much of an expense to the club.

SBBC Xmas party is Dec. 20th. It will be a membership game. Lunch is at 12:00. We will have to pay for the game but the luncheon is free.

Respectively submitted,

Karen Drain, Secretary
